Conglomerate in Hospitality

MESSAGE FROM THE DIRECTOR

We are humbled by the experience of being the executive directors of this wonderful organization, especially knowing that we make a difference in the lives our clients through our services. We want to thank, All our employees & the whole 'Highland Labour Camp Management LLC Community' for their hard work and efforts in delivering exemplary services; Our Clients for the faith they have in our company and our services. We have evolved into a huge organization & We could not do it without you!

Being one of the premier and trusted hospitality and catering service providers in the UAE, we are very excited to grow more by achieving the conjecture of our clients' requirements. We had started the business in 2010 on a small scale. Our unrivalled quality of services and the heart to churn out dedication at work, have helped maintain the immensely high standards of services at affordable rates and brought out the peak of success that we enjoy today. We have always raised the competitive bar for ourselves and very often this has given us great potential to keep delivering services to clients that meet their expectations and beyond.

ABOUT US

Highland Labour Camp Management LLC is a conglomerate in hospitality management services providing unmatched services & impeccable delivery in areas of hotel operations and restaurant management through our extremely well-structured and widely appreciated Accommodation, Catering & Facility services.

We deliver Authentic Hospitality to our guests, profit to our clients and brand growth and position to each property with a passion for excellence in hospitality. The company is driven to maximize long-term value for its associates, customers, investors and community, treating all of our stakeholders like family.

Highland Labour Camp Management LLC implements well-defined, effective, centralized controls that provide top-notch corporate services while promoting and encouraging employees to develop innovative solutions.

We provide centralized corporate support services and other programs in Catering, Housekeeping & Janitorial Services, Maintenance, Accommodation & Facilities Management. We think like entrepreneurs and maintain a flexible approach, encouraging hotel management to implement their own independent initiatives when appropriate.

CATERING

Catering is a part of the various culinary arts, and we consider ourselves as artists. We craft each menu and every food with utmost care and maintain the taste, delicacy & appetency.

Our customers get excited by the multifarious choices they're open to, relishing their food and commending their hearty appreciation to our chefs. We boast one of the most agglomerated menus in the UAE. The areas of our culinary expertise include Continental, Oriental, Arabic, Indian, Pakistani, Filipino & Korean. We're multi-cuisine culinary artists maintaining our high standards on par with ISO 9001.

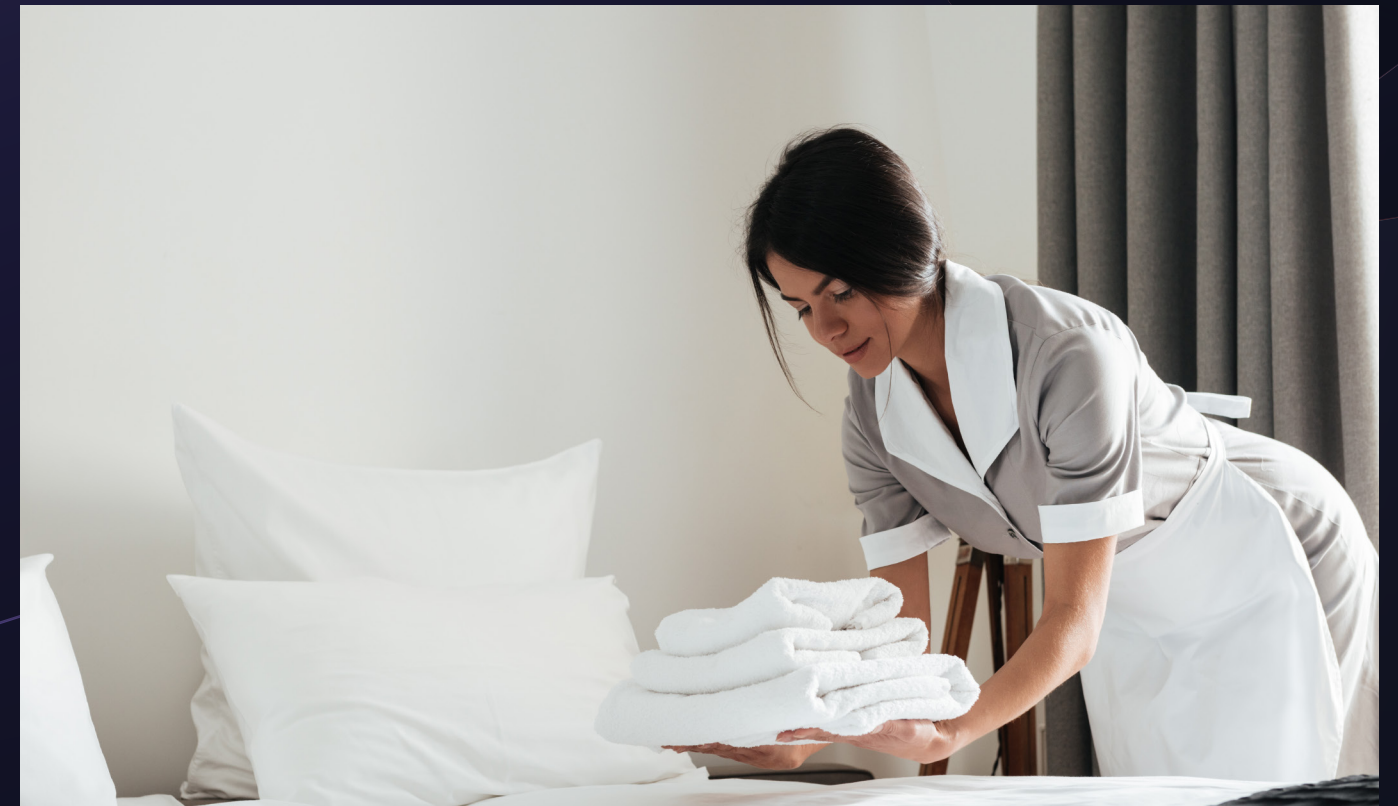

We believe in the customer. That's why it is always their choice to decide which cuisine and menu they prefer. Our customer's selection is our preference, always!

ACCOMMODATION AND SERVICES

Our primary considerations are the luxury of privacy & space, hygiene & safety, professional room services, maid & linen service and value for money. Since we score a six sigma in all these areas, it is no wonder that we have been, and still continue to be, the leading providers of premium accommodation to clients. We adopt a multi-faceted approach, which gives you the freedom of selecting the type of room you're looking for and at a budget that fits you perfectly. Whether you want a budget room or a luxury suite, we have it all.

Every customer is special to us! We deeply care and understand your needs and give you tailor-made solutions as well as services to make your stay comfortable and unforgettable. Whether it's preventive maintenance, corrective maintenance or predictive maintenance, our approach is simple: Deliver custom solutions to meet the facility needs of our clients.

Our services include the supply of labor, material, tools, spares, consumables, equipment, supervision, quality control, inspection, co-ordination and all other necessary items to carry out the proper operations, repairs, servicing and maintenance.

We make sure that it also includes the supply of all consumables, tools and spare parts required as per manufacturer's recommendation. The program shall comprise actions to retain equipment or systems at a specified level of performance by repairing or restoring the affected. All repairs will be planned and implemented by our properly trained craftsmen.

Our areas of expertise are Catering Services, Housekeeping & Janitorial Services, Facilities Management, Building & Villa Management, Laundry Services, Landscaping, Maintenance, and Camp Management.
